Tripurainfo Mega Quiz 2026 Rescheduled to December 27, Venue Shifted from Rabindra Bhavan to Agartala Town Hall, Registration Deadline Extended to December 25

Agartala, November 14

In view of the upcoming municipal and Nagar Panchayat elections in Tripura and the subsequent changes in examination schedules at several schools across the state, the annual Tripurainfo Mega Quiz Competition 2026 has been rescheduled. The competition, which was earlier scheduled to be held on November 22, will now take place on December 27, 2026, at Agartala Town Hall instead of the previously announced venue, Rabindra Bhavan.

Announcing the decision on Saturday, the Tripurainfo.com authorities stated that the changes had become necessary following the announcement of the upcoming municipal and Nagar Panchayat elections and the consequential rescheduling of examinations in various schools. Considering the academic commitments of students and the need to ensure maximum participation without affecting their examination preparations, the organisers decided to postpone the competition by more than a month.

The Tripurainfo Mega Quiz has emerged as one of the popular knowledge-based competitions among school students in Tripura. Organised annually by Tripurainfo.com, the initiative aims to encourage intellectual development, general awareness, analytical ability, quick thinking and a healthy spirit of competition among students. Over the years, the event has attracted enthusiastic participation from students representing different schools across the state.

The organisers expressed confidence that the revised schedule would provide students with a more convenient opportunity to participate in the competition while allowing them sufficient time to concentrate on their academic responsibilities and preparations.

Clarifying the registration arrangements, the Tripurainfo authorities stated that all participants who have already completed their registration for the 2026 Mega Quiz will not be required to register again. Their existing registrations will automatically remain valid for the rescheduled competition on December 27.

The organisers further announced that the registration deadline has also been extended until December 25, 2026, providing additional time for interested students to complete the registration process and participate in the competition.

There will be no changes to the previously announced eligibility criteria, participation conditions, competition rules and other guidelines. All existing rules and regulations will continue to remain applicable. Students seeking fresh registration will also have to follow the previously announced registration procedures.

The organisers have appealed to students, schools, teachers and parents to take note of the revised date and venue and make necessary preparations accordingly.

With the new schedule, the Tripurainfo Mega Quiz 2026 will now be held on December 27 at Agartala Town Hall, promising another opportunity to bring together talented students from across Tripura on a common platform to celebrate knowledge, intelligence and academic excellence.
