MESSAGE

It gives me immense pleasure to convey my warm greetings and best wishes to the people of Tripura on the auspicious occasion of **“Buddha Purnima, 2026”**.

Buddha Purnima festival is celebrated to mark the birth day of Lord Buddha. Lord Buddha had shown the people the way of life through the practice of morality, medication and wisdom which may be described in right speech, right livelihood, right action, right mindfulness, right understanding, right concentration, right effort and right thought. His profound message of peace & harmony and non- violence is now very relevant considering the fact that some parts of the world are suffering from brutal violence and bloodshed.

May this festival bring joy, happiness, love and brotherhood amongst the people of Tripura.
