24<sup>th</sup> April, 2024

## Message

*It gives me immense pleasure to learn that the Indian Red Cross Society, Tripura State Branch, Agartala is going to celebrate The World Red Cross Day on the 8<sup>th</sup> May, 2024 like every year to commemorate the birth anniversary of Sir Henry Dunant, who is the founder of the International Committee of the Red Cross. This day is also celebrated to honour the untiring hard work of umpteen Red Cross volunteers who risk their lives to serve the mankind across the globe in the time of calamities, social strifes and wars.*

*The theme designated for this year is, "Keeping Humanity Alive." The theme thus rededicates the Humanity as the core of all the amelioration activities of the idea called Red Cross. It is the duty of every one of us to serve the humanity and we must always do so to extend our contribution towards the Red Cross. So, on the occasion of the Red Cross Day-2024, let us take inspiration from all those who served the mankind in times of need to uphold the Humanity which is the mission of Red Cross.*

*I am very happy to know that the Tripura Red Cross Society has joined its hand to share the joy of giving to the people of the state by celebrating the day with dedication. And I also take this opportunity to convey my love and best wishes to the people of Tripura for the Happy Red Cross Day, 2024.*
