Sub:- Distribution of Cooked Food packets for urban homeless/urban poor.

Sir,

In view of the Lockdown to combat COVID-19, it is felt that the urban homeless, Construction workers and other urban poor may not have sufficient access to food.

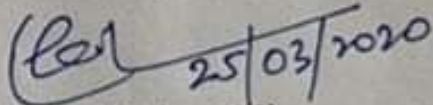

In view of the above, all ULBs are advised to set up kitchen for preparing cooked food i.e. khichuri at one place in each ULB.

Any good ALF or SHG under DAY-NULM may be deployed for cooking and making food packets. Distribution of Food Packets to the urban poor twice daily may be done by using one or more dedicated vehicles by the respective ULB.

It has to be ensured that there should be no accumulation of public at any place during the distribution of food packets. The distribution staff should be provided with gloves and sanitisers.

Rice and Dal may be arranged from Food CS & CA department in respective District. Funds for the purpose are to be met up from SDRF.

Yours faithfully,

(Dr. Shailesh K. Yadav, IAS)
