**Opening of Rural Health Centre in Durjoynagar Village under
Nutannagar Gram Panchayat under Bank's CSR activity programme.**

Vijaya Bank, one of the fastest growing & Prime National Bank with increased focus on Retail Lending sector & Priority sector, will be opening a **Rural Health Centre in Durjoynagar Village under its CSR Activity initiative on 28.12.2016 at 11 AM**. Sh. Sunil Kumar, GM, NABARD, Tripura RO, will preside the programme and will address the participants along with Regional Manager, Sri Debabrata Das and other officials of the Bank. The Rural Health Centre linked to Bank's Gandhigram Branch will be open 4 days a week operational throughout the year & free basic medical care & medicines will be available **free of cost** for the rural poor. Dr. Anit Lal Das, MBBS has been appointed by the Bank for providing the medical treatment in its RHC.

Bank has adopted several trailblazing initiatives under CSR in the last 2 years and addressed several national priorities such as girl child education, rural healthcare, sanitation in schools, infrastructure support for the benefit of the old, sick, destitute, orphans, disabled and others.

As on date, Bank is running 34 Rural Health Centres in backward/ rural areas across the country to provide primary healthcare free of cost to the rural poor. Seeing the overwhelming response from the villagers and local bodies, **Bank has decided to set up 11 more Rural Health Centres by 31st December, 2016 taking the number of Vijaya Bank RHCs to 45. Along with one in Tripura, Bank is also opening a RHC in Pasighat, Arunachal Pradesh taking the total number of RHC's in north east region to 3.**

We request the pleasure of your company on this auspicious occasion.
